# Your protection Your choice

Life can surprise us, and not always for the right reasons. That's why it's important to minimize the uncertainty in your loved ones' future by giving them the right protection. FWD's MyTerm is a simple pure protection product designed to help you prepare for the unexpected. It gives you not only ample protection at an affordable premium, but the flexibility to extend your cover to meet your changing needs in the future. Whether you're acquiring insurance protection for the first time or looking to enhance your existing coverage, MyTerm is an effective, hassle-free option for turning uncertainty into security at every life stage.

### Comprehensive yet thoughtful protection

We understand that taking care of your loved ones is a lifelong commitment. With MyTerm, you can rest assured that their future could be protected. It offers a Death Benefit equal to 100% of Sum Insured<sup>1</sup> in the unfortunate event of Insured's death.

You can also choose the Death Benefit Settlement Option for the payment of Death Benefit in the form of a lump sum payment (default option), regular installments (annually/monthly) or a mix of both, to manage your wealth allocation flexibly.

### Affordable premiums with personalised options

MyTerm offers high life protection with affordable premiums.

You can also choose from 3 renewable periods<sup>2</sup> – 5, 10 or 20 years, according to your protection needs in short-term or medium horizon. Moreover, within each of the renewable period<sup>2</sup>, the premium rate<sup>3</sup> will remain level and is guaranteed, allowing you to manage your financial planning with ease.

### Extra benefits to meet unexpected needs

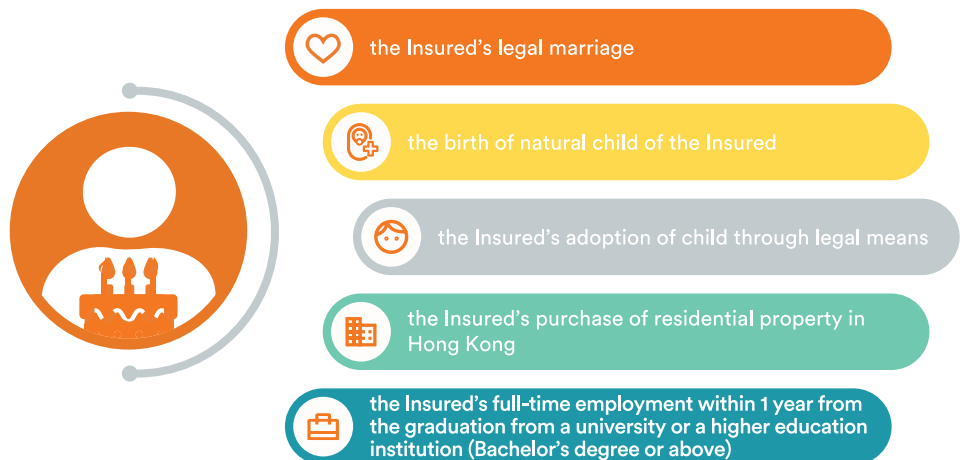

In the unfortunate event that the Insured's advent of death is certified by a registered medical specialist as highly likely within 12 months, an Advanced Death Benefit<sup>4</sup> will be payable, paying the Death Benefit in advance to help you and your loved ones get through the difficult times.

### Tailored to your every life stage

Each new life stage brings new opportunities as well as bigger responsibilities. MyTerm offers a Life Celebration Booster Option<sup>5</sup> that allows you to top up your coverage in the form of a rider when the Insured reaches different milestones (including marriage, the birth of child, adoption of child, the purchase of a residential property in Hong Kong, full-time employment after graduation) on or before Insured's age<sup>6</sup> 55 without the requirement of evidence of insurability.

#### Life Celebration Events

And if you would like to consider other insurance protection options when your family commitments grow, you can also convert<sup>7</sup> the entire amount or part of the Sum Insured of MyTerm to one of our designated permanent plan of life insurance without the requirement of evidence of insurability on or before Insured's age<sup>6</sup> 70.

### Simplified underwriting for simple protection

Applying for MyTerm couldn't be easier. You just need to provide us the required information and documents and answer 3 simple health questions during the application without medical examination!

## Key product risks

---

### Credit risk

This product is an insurance policy issued by FWD Life Insurance Company (Bermuda) Limited (Incorporated in Bermuda with limited liability) ("FWD"). The application of this insurance product and all benefits payable under your policy are subject to the credit risk of FWD. You will bear the default risk in the event that FWD is unable to satisfy its financial obligations under this insurance contract.

### Exchange rate and currency risk

The application of this insurance product with the policy currency denominated in a foreign currency is subject to that foreign currency's exchange rate and currency risk. The foreign currency may be subject to the relevant regulatory bodies' control (for example, exchange restrictions). If your home currency is different from the policy currency, please note that any exchange rate fluctuation between your home currency and the policy currency of this insurance product will have a direct impact on the amount of premium required and the value of benefit(s) to be received. For instance, if the policy currency of the insurance product depreciates substantially against your home currency, there is a negative impact on the benefits you receive from the product. If the policy currency of the insurance product appreciates substantially against your home currency, your burden of the premium payment is increased.

### Inflation risk

The cost of living in the future may be higher than now due to the effects of inflation. Therefore, the benefits under this policy may not be sufficient for the increasing protection needs in the future even if FWD fulfills all of its contractual obligations.

### Exclusions

#### Suicide

If the Insured commits suicide within 13 calendar months from the policy date/policy rider date (if applicable) (or the reinstatement date, whichever is later), our legal responsibility will be limited to the total premium amount paid to us without interest, after deducting any policy benefits that we have paid and any outstanding amounts owed to us. This applies regardless of whether the Insured was sane or insane when committing suicide.

#### Exclusions for Advanced Death Benefit

No Advanced Death Benefit will be paid where the Insured's advent of death is highly likely within 12 months and caused directly or indirectly from any of the following:

1. intentional self-inflicted injury, or attempted suicide, while sane or insane and while intoxicated or not; or
2. Human Immunodeficiency Virus (HIV) related illness, including Acquired Immunization Deficiency Syndrome (AIDS) and/or any mutations, derivations or variations thereof, which is derived from an HIV infection; or
3. any condition arising out of consumption of poisoning drugs, psychiatric drug, drug abuse, alcohol abuse, abuse of solvents and other substances unless prescribed by a Registered Medical Specialist for treatment.

### Premium adjustment

Unless you tell us in writing before the next renewal that you do not want to renew, MyTerm (and the Life Celebration Booster, if any) will be automatically renewed at the end of each renewable period for another renewable period up to its expiry date based on its terms and conditions, provided that all premiums are paid when due. The premium rates upon renewal are not guaranteed and will be determined at our sole discretion based on factors including but not limited to the age of the Insured on his or her next birthday at the time of renewal, claims experience and policy persistency from all policies under this product. However, within each of the renewable period, the premium rate will remain level and is guaranteed.

### Premium term and non-payment of premium

The premium payment term of MyTerm (and the Life Celebration Booster, if any) ends on its expiry date. FWD allows a grace period of 30 days after the premium due date for payment of each premium. If a premium is still unpaid at the expiration of the grace period, the basic plan/rider will be terminated from the date the first unpaid premium was due. Please note that once the basic plan/rider is terminated on this basis, you will lose all of your benefits.

### Termination conditions

1. when the Insured dies;
2. on the expiry date;
3. when you surrender the policy/rider;
4. when basic plan terminates (only applicable to Life Celebration Booster);
5. when the premium grace period expires, we have not received the due premium payment;
6. when the Sum Insured becomes zero upon payment of the Advanced Death Benefit; and
7. when the entire amount of the Sum Insured is converted to a permanent plan of life insurance product subject to our relevant rules at the time of conversion.

### Your right under cooling-off period

If you are not fully satisfied with this policy, you have the right to change your mind.

We trust that this policy will satisfy your financial needs. However, if you are not completely satisfied, you have the right to cancel and obtain a full refund of the insurance premium paid by you and levy paid by you without interest by giving us written notice. Such notice must be signed by you and received directly by the office of FWD within 21 calendar days immediately following either the day of delivery of the policy or a Cooling-off Notice to you or your nominated representative, whichever is the earlier. The notice is the one sent to you or your nominated representative (separate from the policy) notifying you of your right to cancel within the stated 21 calendar day period. No refund can be made if a claim payment under the policy has been made prior to your request for cancellation. Should you have any further queries, you may (1) call our Customer Service Hotline on 3123 3123; (2) visit our FWD Insurance Solutions Centres; (3) email to [cs.hk@fwd.com](mailto:cs.hk@fwd.com) and we will be happy to explain your cancellation rights further.

### Automatic exchange of financial account information

FWD must comply with the following requirements of the Inland Revenue Ordinance to facilitate the Inland Revenue Department automatically exchanging certain financial account information:

- (i) to identify accounts as non-excluded “financial accounts” (“NEFAs”);
- (ii) to identify the jurisdiction(s) in which NEFA-holding individuals and NEFA-holding entities reside for tax purposes;
- (iii) to determine the status of NEFA-holding entities as “passive non-financial entities (NFEs)” and identify the jurisdiction(s) in which their controlling persons reside for tax purposes;
- (iv) to collect information on NEFAs (“Required Information”) which is required by various authorities; and
- (v) to furnish Required Information to the Inland Revenue Department.

The policy owner must comply with requests made by FWD to comply with the above listed requirements.

### Misstatement or non-disclosure

We have used the information, including but not limited to age next birthday, gender and other material facts, provided by you and the Insured (if they are different people) during the application process to determine whether to offer the basic plan/rider.

If the Insured's age next birthday or gender is incorrect, we will calculate any amount paid or payable or benefit accruing according to how much the premiums paid would have purchased at the time of the application on the basis of the correct age next birthday and/or sex. However, any recalculated amount will not be more than the original benefit.

We may cancel the basic plan/rider and treat it as having never existed if (i) any information provided by you and the Insured during the application process is incorrect and if, based on the correct information, we would not have offered the basic plan/rider; or (ii) any material facts were not disclosed during the application process which may affect our risk assessment. In this situation, we will refund any premium(s) and insurance levy(ies) paid without interest after deducting any benefits that we have paid. We will send written notification of the cancellation to your correspondence address in our records.

### Renewal

While MyTerm (and the Life Celebration Booster, if any) is in effect and the Insured is alive, MyTerm (and the Life Celebration Booster, if any) can be renewed for another renewal period at the end of each renewable period without the requirement of evidence of insurability. Unless you tell us in writing before the next renewal that you do not want to renew, MyTerm (and the Life Celebration Booster, if any) will be automatically renewed at the end of each renewable period for another renewable period up to its expiry date based on its terms and conditions, provided that all premiums are paid when due. The premium rates upon renewal are not guaranteed and will be determined at our sole discretion based on factors including but not limited to the age of the Insured on his or her next birthday at the time of renewal, claims experience and policy persistency from all policies under this product. However, within each of the renewable period, the premium rate will remain level and is guaranteed.

You should tell us if you need to make a claim under the basic plan/rider by submitting claim form and the following:

1. the original of the policy and the policy document of the rider (if applicable);

3. evidence of the certified date of the death of the Insured (if the Death Benefit is being claimed);
4. all necessary medical records, certificates and completion of all relevant forms required by us; and
