Core policy benefits

#### **CAN** have comprehensive protection

The key to a speedy recovery is being without financial worries. With essential coverage of Covered Cancer<sup>5</sup> and a Lifetime Cancer Limit<sup>6</sup> as high as HKD 9 million and a choice of 4 levels of coverage to meet your different needs, you can choose one to meet your healthcare needs as an add-on to your current medical coverage to power up your cancer coverage.

#### CAN cope with changing needs

The Plan gives you coverage with a savvy edge that can cater to your changing needs at different life stages. You can have Additional Benefits without additional charges, such as waiving premium for 1 year when you wish to pursue further full time education, undertake a working holiday or you become involuntarily unemployed; deferring premium payments for 1 year when you get married or become parent; or even enjoy seamless coverage with temporary cover under a designated full medical reimbursement plan when you are changing jobs and do not have group cover. When you retire, you can also permanently convert the Plan to a designated full medical reimbursement plan.

#### CAN secure complementary support

In addition, the diversified supportive health care professional consultations covered by the Plan aims to give you an extra helping hand in your path to full recovery. You may plan for the most suitable and preferable combination of professional consultations during or after cancer treatment. The Plan even subsidises transportation expenses during treatment.

## Let's check out below how Jason could benefit from CANsurance Cancer Protection Plan.

#### **Example**

Jason, at age 26 (age next birthday), has just entered the workforce. He is aware that cancer is a major critical illness and wishes to top up his group medical cover. However, he is only able to afford an entry level medical insurance plan at this stage, so he's decided to take out CANsurance Cancer Protection Plan to enhance cancer protection.

#### At age 26 (age next birthday)

Jason enrolled in CANsurance Cancer Protection Plan – Superior Plan.

#### At age 30 (age next birthday)

Jason decided to take a career break to pursue a full time master's degree.

He applied for the **Special Event Benefit**<sup>2</sup> so that he could still be protected with medical coverage under this Plan but be exempted from paying the premium for 1 year during the course of his study.

After graduating from his master's degree, Jason has started a new job.

#### At age 32 (age next birthday)

With his outstanding performance, Jason got scouted by another company to take up a higher position. He applied for the **Job Changer Benefit¹** during his job change period so that he could still be covered under a designated full medical reimbursement plan in addition to this Plan.

#### At age 35 (age next birthday)

Jason planned to get married. He applied for the Extended Grace Period Benefit<sup>3</sup> to defer his premium payment for a year to enjoy financial flexibility.

#### At age 46 (age next birthday)

Unfortunately, Jason is diagnosed with lung cancer. We will cover his medical expenses\* for cancer treatment including target therapy, hospitalisation, surgery and post-treatment Chinese medicine practitioner consultation.

Furthermore, we will provide professional consultations and CANcierge<sup>7</sup> service to assist him to obtain proper treatment during his recovery journey.

The above is for illustrative purpose only and assuming that a) all premiums and levies are paid in full when due, b) the definitions and claims requirements of the benefits are fulfilled, and c) this Plan is in force and has not been surrendered throughout the policy term.

Once the total amount paid or payable under Section A of the Plan Summary reaches the Lifetime Cancer Limit, the policy will terminate.
- 7. CANcierge is currently provided by HealthMutual Group Limited ("HMG") and its healthcare network team, it is not a part of the policy or benefit item under the Policy Provisions of the Plan and it is not guaranteed renewable. FWD reserves the right to terminate or vary CANcierge in its sole discretion without further notice. FWD will not be responsible for any act, negligence or failure to act on the part of HMG and its healthcare network team. For details, please refer to the attached brochure of CANcierge.
- 8. Only applicable to the Insured whose issue age is 1 (15 days) to 65 (age next birthday) and subject to the relevant underwriting requirements, otherwise, normal underwriting applies.
- 9. Per Covered Cancer Limit refers to the maximum total amount for any single Covered Cancer that FWD will pay under Section A of the Plan Summary. If the Insured is insured under multiple CANsurance Cancer Protection Plan policies, the Per Covered Cancer Limit will apply across all policies under the Plan, even those policies that have terminated.
- 10. Only Reasonable and Customary charges for the above benefits will be paid by FWD. Reasonable and Customary refers to a fee or expense which:
  - a. is actually charged for Medically Necessary treatment, supplies or medical services;
  - b. does not exceed the usual or reasonable average level of charges for similar treatment, supplies or medical services in the location where the expense is incurred;
  - c. does not include charges that would not have been made if no insurance existed.
  - FWD may adjust benefit(s) payable under the policy of the Plan for fees or expenses that FWD judges not to be Reasonable and Customary after comparing with fee schedules used by the government, relevant authorities or recognised medical association in the location where the fee or expense is incurred.

FWD reserves the right to revise the benefit payable, terms and conditions and premiums any time at renewal. The policy will expire on the policy anniversary immediately following the Insured's 99th birthday.

#### **Key Product Risks**

#### **Credit risk**

This Product is an insurance policy issued by FWD. The application of this insurance product and all benefits payable under your policy are subject to the credit risk of FWD. You will bear the default risk in the event that FWD is unable to satisfy its financial obligations under the insurance contract.

#### **Exchange rate and currency risk**

The application of this insurance product with the policy currency denominated in a foreign currency is subject to that foreign currency's exchange rate and currency risk. The foreign currency may be subject to the relevant regulatory bodies' control (for example, exchange restrictions). If your home currency is different from the policy currency, please note that any exchange rate fluctuation between your home currency and the policy currency of this insurance product will have a direct impact on the amount of premium required and the value of benefit(s) to be received. For instance, if the policy currency of the insurance product depreciates substantially against your home currency, there is a negative impact on the benefits you receive from the Product. If the policy currency of the insurance product appreciates substantially against your home currency, your burden of the premium payment is increased.

#### Inflation risk

The cost of living in the future may be higher than now due to the effects of inflation. Therefore, the benefits under the Plan may not be sufficient for the increasing protection needs in the future even if FWD fulfils all of its contractual obligations.

#### **Exclusions**

Except Compassionate Death Benefit, CANsurance Cancer Protection Plan does not cover any Covered Cancer<sup>5</sup> resulting directly or indirectly from or in respect of any of the following:

- 1. any Covered Cancer<sup>5</sup> in the presence of any HIV Infection and/or any AIDS related illness. HIV Infection refers to an infection where blood or other relevant test(s) indicate, in FWD's opinion, either the presence of any Human Immunodeficiency Virus, antigens or antibodies to such virus; or
- 2. any drug or alcohol abuse unless the first symptoms of a relevant Covered Cancer<sup>5</sup> caused by such drug or alcohol abuse occurs 2 years after the policy date or the date of last reinstatement, whichever is later.

#### Suicide

If the Insured commits suicide (whether sane or insane at that time) within 13 calendar months from the Policy Date, FWD will refund all premiums that FWD has received without interest, less any Policy benefits that FWD has paid and any amounts owed to FWD.

#### **Key Product Risks**

#### **Premium adjustment**

The premium is non-guaranteed and will be determined annually based on the age of the Insured on his or her next birthday at the time of renewal. The premium may increase significantly due to factors including but not limited to age, claims experience and policy persistency.

#### Premium term and non-payment of premium

The premium payment term of the policy ends on the policy anniversary immediately preceding the Insured's 100<sup>th</sup> birthday. FWD allows a grace period of 30 days (or Extended Grace Period for the Plan) after the premium due date for payment of each premium. If a premium is still unpaid at the expiration of the grace period, the policy will be terminated from the date the first unpaid premium was due. Please note that once the policy is terminated on this basis, you will lose all of your benefits.

#### **Termination conditions**

The policy of the Plan will automatically end on the earliest of the following:

- 1. If the Insured dies;
- 2. The policy anniversary immediately following the Insured's 99th birthday;
- 3. You surrender the policy. FWD will determine the surrender date based on the rules and regulations of FWD at that time:
- 4. If the change of place of residence or occupation means that the residence or occupation is not insurable according to FWD's underwriting rules, FWD may terminate the policy or refuse to pay benefits under relevant policy after the change;
- 5. If you refuse to accept the revisions including the adjusted premium and if you have not paid the premium for 30 days from when it was due;
- 6. If a claim is false, fraudulent, intentionally exaggerated or if any person has used fraudulent means to attempt to claim a benefit, premium paid will not be refunded and any benefit paid because of such means will be recovered;
- 7. The premium grace period (or Extended Grace Period for CANsurance Cancer Protection Plan) expires and FWD has not received the premium payment;
- 8. If FWD ceases to offer relevant plan at each policy renewal;
- 9. The date the total amount paid under Section A in Plan Summary under all policies under the Plan that apply to the Insured reach the Lifetime Cancer Limit<sup>6</sup>;
- 10. When you convert the Plan to a designated full medical reimbursement plan by exercising Convertibility Option<sup>4</sup>.

#### **Important Notes**

#### **Policy Renewal**

The period of cover is 1 year, and the policy will be automatically renewed at each Policy Anniversary. FWD can revise, amend or modify this Policy, including the premium, once FWD notifies you in writing at least 30 days before the Policy Anniversary after which the revisions will take effect.

#### Cancellation Right within Cooling-off Period

If you are not fully satisfied with this policy, you have the right to change your mind. We trust that this policy will satisfy your financial needs. However, if you are not completely satisfied, you have the right to cancel and obtain a full refund of the insurance premium paid by you and levy paid by you without interest by giving us written notice. Such notice must be signed by you and received directly by the office of FWD within 21 calendar days immediately following either the day of delivery of the policy or a cooling-off notice to you or your nominated representative, whichever is the earlier. The notice is the one sent to you or your nominated representative (separate from the policy) notifying you of your right to cancel within the stated 21 calendar day period. No refund can be made if a claim payment under the policy has been made prior to your request for cancellation. Should you have any further queries, you may (1) call our Customer Service Hotline on 3123 3123; (2) visit our FWD Insurance Solutions Centres; (3) email to cs.hk@fwd.com and we will be happy to explain your cancellation rights further.

#### **Cancellation Right after Cooling-Off Period**

To surrender the Policy, the Policy Owner needs to send FWD a completed surrender form or by any other means acceptable by FWD.

#### **Obligation to Provide Information**

FWD is obliged to comply with the following legal and/or regulatory requirements in various jurisdictions as promulgated and amended from time to time, such as the United States Foreign Account Tax Compliance Act, and the automatic exchange of information regime ("AEOI") followed by the Inland Revenue Department (the "Applicable Requirements"). These obligations include providing information of clients and related parties (including personal information) to relevant local and international authorities and/or to verify the identity of the clients and related parties. In addition, our obligations under the AEOI are to:

- I. Identify accounts as non-excluded "financial accounts" ("NEFAs");
- II. Identify the jurisdiction(s) in which NEFA-holding individuals and NEFA-holding entities reside for tax purposes;
- III. Determine the status of NEFA-holding entities as "passive NFEs" and identify the jurisdiction(s) in which their controlling persons reside for tax purposes;
- IV. Collect information on NEFAs ("Required Information") which is required by various authorities; and
- V. Furnish Required Information to the Inland Revenue Department.

You must comply with requests made by FWD to comply with the above Applicable Requirements.

#### **Double Insurance**

If you can obtain a refund of any expenses in the Benefit Provisions of policy provisions from any other sources, FWD will only pay for any excess costs of these expenses up to the limit set out in the Policy Schedule or any Endorsement. You must tell FWD if the Insured can obtain a refund of all or part of expenses specified in the Benefit Provisions of policy provisions from any other sources. If FWD has paid a benefit which is recoverable from another source, you must refund this amount to FWD.

#### **Notice of Claim**

You must inform FWD as soon as possible, and no later than 6 months of the Insured's discharge from hospital, surgery date, or the date of Insured's death, for which a claim will be made on this Policy. FWD has the right to reject any written claims submitted after this 6-month notice period.

Important to know

#### **Important Notes**

#### **Incorrect Disclosure or Non-Disclosure**

Your policy is based on the information you and the Insured gave FWD during the application process. It is important that you and the Insured were truthful and accurate with all of the information you provided, as this information helped FWD to decide if you and they were eligible for the policy, and what you need to pay.

You or the Insured are/is required to disclose all material facts in response to FWD's underwriting questions. Material facts are the facts, information or circumstances, in particular medically-related facts, e.g. medical history, smoking status, etc., that would influence the judgment of FWD in setting the premium, or in determining whether to insure the risk. If you or the Insured are/is uncertain as to whether or not a certain piece of information is material, please take a cautious approach and disclose it to FWD.

You should let us know immediately if the information you or the Insured gave us was inaccurate, misleading, or exaggerated. If you or the Insured did not provide accurate and truthful information, or you or they gave misleading or exaggerated information, your benefits or premium under your policy may be affected, and in some cases we may cancel your policy.

#### **Waiting Period**

A 90-day waiting period is applicable for the benefits, except the specific waiting periods of other Additional Benefits and Compassionate Death Benefit.

#### **Important Words**

#### First Symptoms

refers to the first time that the Insured experiences a physical symptom that would cause a reasonable and prudent person to seek medical advice, diagnosis or treatment, or where a medical examination or investigation shows the likely presence of a medical condition.

#### **Medically Necessary**

is a medical recommendation by Physician, Surgeon or Specialist as part of his/her diagnosis and/or treatment of a Covered Cancer. The medical recommendation must meet each of the following criteria:

- 1. The Insured's medical condition will be adversely affected if the medical recommendation is not followed;
- 2. The recommendation is widely accepted within the medical profession in Hong Kong or the country of treatment as being effective, appropriate and essential to diagnose, relieve or cure the Insured's Covered Cancer based on recognised western medical standards of the specialty involved;
- 3. The recommended medical management and/or treatment is not experimental in nature; and
- 4. The recommended diagnosis and/or treatment is not preventative, investigational or screening in nature, is not opted or selected by the Insured alone, nor is for the personal convenience or comfort of the Insured or any medical service provider. This precludes:
  - general check-up unrelated to a Covered Cancer;
  - preventative screening or check-ups looking for the presence of Covered Cancer where there are no symptoms or history of Covered Cancer;
  - vaccinations for the prevention of a Covered Cancer;
  - convalescence, custodial or rest care unrelated to the Covered Cancer;
  - cosmetic surgery for aesthetic purposes.
