Important to know

Key product risks

Credit risk

This product is an insurance rider issued by FWD Life Insurance Company (Bermuda) Limited (incorporated in Bermuda with limited liability) ("FWD"). The application of this insurance product and all benefits payable under your policy are subject to the credit risk of FWD. You will bear the default risk in the event that FWD is unable to satisfy its financial obligations under this insurance contract.

Exchange rate and currency risk

The application of this insurance product with the policy currency denominated in a foreign currency is subject to that foreign currency's exchange rate and currency risk. The foreign currency may be subject to the relevant regulatory bodies' control (for example, exchange restrictions). If your home currency is different from the policy currency, please note that any exchange rate fluctuation between your home currency and the policy currency of this insurance product will have a direct impact on the amount of premium required and the value of benefit(s) to be received. For instance, if the policy currency of the insurance product depreciates substantially against your home currency, there is a negative impact on the benefits you receive from the product. If the policy currency of the insurance product appreciates substantially against your home currency, your burden of the premium payment is increased.

RMB conversion limitation risk

RMB Insurance is subject to exchange rate fluctuations which may result in losses in the event that the customer converts RMB into HK\$ or other foreign currencies. RMB is currently not freely convertible and conversion of RMB may be subject to certain policy, regulatory requirements and/or restrictions (which are subject to changes from time to time without notice), which may result in loss. The actual conversion arrangement will depend on the policy, regulatory requirements and/or restrictions prevailing at the relevant time.

Inflation risk

The cost of living in the future may be higher than now due to the effects of inflation. Therefore, the benefits under the rider may not be sufficient for the increasing protection needs in the future even if FWD fulfills all of its contractual obligations.

Premium adjustment

The premium is non-guaranteed and may significantly increase due to factors including but not limited to claims experience and policy persistency. However, the premium rate will not be increased based on the age next birthday of the policy owner.

Premium term and non-payment of premium

The premium payment term is up to the earliest of (i) the end of the premium payment term of the basic plan; (ii) the policy anniversary immediately preceding the 25th birthday of the basic plan's insured (only applicable if the basic plan's insured is aged 18 (age next birthday) or below on the date of signing the application for this Rider); or (iii) the policy anniversary immediately preceding the 71st birthday of the policy owner. FWD allows a grace period of 30 days after the premium due date for payment of each premium. If a premium is still unpaid at the expiration of the grace period, this Rider will be terminated from the date the first unpaid premium was due. Please note that once this Rider is terminated on this basis, you will lose all of your benefits under this Rider.

Termination conditions

This Rider shall terminate on the earliest of the following:

1. the date the basic plan is terminated or paid-up;
2. the premium due date if the premium grace period expires and we have not received the premium payment;
3. the first premium due date which occurs after our receipt of the policy owner's written request for termination of this Rider;
4. the policy anniversary immediately preceding the 25th birthday of the basic plan's insured (only applicable if the basic plan's insured is aged 18 (age next birthday) or below on the date of signing the application of this Rider); or
5. the policy anniversary immediately preceding the 71st birthday of the policy owner.

General exclusions

1. No premiums shall be waived under the basic plan and the applicable riders if the total disability is caused directly or indirectly, wholly or partly by any of the following:
 - i. any pre-existing condition that was not communicated or known to us before the latest of policy date, the effective date of change of the policy owner (as shown on the related endorsement or the confirmation issued by us in writing) or the reinstatement date;
 - ii. any self-inflicted injury, whether the policy owner is sane or otherwise;
 - iii. any misuse or abuse of drugs and/or alcohol;
 - iv. any air-borne activity other than travelling as a pilot, member of the flight crew or fare-paying passenger, on an aircraft licensed for passenger service and operated by a regular airline on a scheduled route; or
 - v. any war, invasion, act of foreign enemies, hostilities (whether war is declared or otherwise), civil war, rebellion, revolution, insurrection, military or usurped power, riot or civil commotion.
2. No premium shall be waived under the basic plan and the applicable riders if the cause of death of policy owner is directly or indirectly resulted from committing suicide within 13 calendar months from the policy date (or the reinstatement date, whichever is later). This applies regardless of whether the policy owner was sane or insane when committing suicide.
