**IMPORTANT:**

- The Fund's investments in equities could incur significant losses due to higher fluctuation of equity values. The Fund's investments are concentrated in the financial services sector. This may result in greater volatility than more broad-based investments.
- The Fund is subject to currency risk, emerging market risk, foreign investments restrictions risk, small-cap companies' volatility and liquidity risks.
- The Fund may use derivatives for hedging and for investment purposes. However, usage for investment purposes will not be extensive. The Fund may suffer losses from its derivatives usage.
- The value of the Fund can be volatile and can go down substantially within a short period of time. It is possible that a certain amount of your investment could be lost.
- Investors should not make investment decisions based on this document alone. Investors should refer to the Prospectus and Key Facts Statement for details including risk factors.

**INVESTMENT OBJECTIVE**

The World Financials Fund seeks to maximise total return. The Fund invests globally at least 70% of its total assets in the equity securities of companies whose predominant economic activity is financial services.

**GROWTH OF 10,000 SINCE LAUNCH**

## SECTOR BREAKDOWN (%)

Negative weightings may result from specific circumstances (including timing differences between trade and settlement dates of securities purchased by the funds) and/or the use of certain financial instruments, including derivatives, which may be used to gain or reduce market exposure and/or risk management. Allocations are subject to change. Due to rounding, the total may not be equal to 100%.

## TOP COUNTRIES (%)

Geographic exposure relates principally to the domicile of the issuers of the securities held in the product, added together and then expressed as a percentage of the product's total holdings. However, in some instances it can reflect the country where the issuer of the securities carries out much of their business. "Others" excluded from the chart above.
