

1. This is a bond fund.
2. Investing in this fund may expose investors to interest rate, credit, prepayment and exchange risks. The use of financial derivative instruments for hedging and efficient portfolio management purposes may lead to exposure to credit risk of the issuer. The fund may also be exposed to liquidity and developing countries risks.
3. The investment focus of the fund might give rise to increased risk over more diversified funds.
4. The value of the fund can be extremely volatile and could go down substantially within a short period of time. It is possible that your investment value could suffer substantial loss.
5. The investment decision is yours, but you should not invest in the product unless the intermediary who sells it to you has advised you that the product is suitable for you and explained why including how buying it would be consistent with your investment objective.

March 2018

Investment objective:

To achieve a combination of income and capital growth (total return). Specifically, the Sub-Fund seeks to outperform the JP Morgan GBI-EM Global Diversified (USD) unhedged index by investing at least 67% of assets in bonds that are:

- issued or guaranteed by emerging country governments or government agencies, or
- issued by companies that are headquartered, or do substantial business, in emerging countries.

Benchmark:

JP Morgan GBI-EM Global Diversified (USD) unhedged

Risk indicators (over a 3-year period)

Annualised volatility	11.70%
Tracking error	1.73%
Information ratio	-1.34
Sharpe ratio	0.22
Portfolio modified duration	5.07
Benchmark modified duration	5.14

Modified duration follows the knowledge that interest rates and bond prices move in opposite directions. This measure is used to determine the effect a 1 percent change in interest rates will have the price of a bond. These indicators are expressed in modified duration units.

Source of statistical information: Amundi
All statistical information calculations are based on NAV.

Effective 15 January 2018, the investment strategy of the Sub-Fund was modified. Effective 3 July 2017, the investment objective and policy of the Sub-Fund was modified. The issuer of this document is Amundi Hong Kong Limited. This document and the mentioned website have not been reviewed by the Securities and Futures Commission in Hong Kong (the "SFC"). Investors should not only base on this document alone to make investment decisions. Investment involves risk. The past performance information of the market, manager and investments and any forecasts on the economy, stock market, bond market or the economic trends of the markets which are targeted by the fund(s) are not indicative of future performance. Investment returns not denominated in HKD or USD is exposed to exchange rate fluctuations. The value of an investment may go down or up. The offering document(s) should be read for further details including the risk factors. The fund(s) may use financial derivatives instruments as part of the investment strategy and invest in securities of emerging markets or smaller companies, or fixed-income securities. This involves significant risks and is usually more sensitive to price movements. The volatility of fund prices may be relatively increased. Issuers of fixed-income securities may default on its obligation and the fund(s) will not recover its investment. Additional risk factors are described in the offering document(s). Investors are advised to be aware of any new risks that may have emerged in the prevailing market circumstances before subscribing the fund(s).

This document is not intended for citizens or residents of the United States of America or to any «U.S. Person», as this term is defined in SEC Regulation S under the U.S. Securities Act of 1933 and in the Prospectus of the Fund.
