

1. This is an equity fund.
2. The Sub-Fund invests in a single market and is subject to greater concentration and liquidity risks than a more diversified investment.
3. The Sub-Fund invests in emerging market and is exposed to higher risks, including currency risk.
4. Financial derivatives instruments may be used for the purpose of meeting the investment objective of the Sub-Fund.
5. The value of the fund can be extremely volatile and could go down substantially within a short period of time. It is possible that your investment value could suffer substantial loss.
6. The investment decision is yours, but you should not invest in the product unless the intermediary who sells it to you has advised you that the product is suitable for you and explained why including how buying it would be consistent with your investment objective.

April 2017

Investment objective:

The Sub-Fund¹ seeks to provide investors with long-term capital growth by investing in companies :

- listed in Vietnam;
- which have publicly announced their plans to expand existing or acquire complimentary operations in Vietnam, with earnings enhancement potentials;
- which have entered into joint venture projects with local Vietnamese companies, with a minimum 25% stake in the joint venture.

Sector breakdown

Geographical breakdown

1.The Sub-Fund is one of the sub-funds of Amundi Harvest Funds. 2.The performance fee (if any) shall be paid to the manager within 20 days after the corresponding performance period. The performance period shall be commencing on the first day of issue of Units and ending on 31 December 2007 and thereafter a new performance period shall commence each calendar year.

Changes that may impact Fund performance: 1. Change of Manager: Societe Generale Gestion S.A. (S2G) has replaced Societe Generale Asset Management S.A. as the Manager of the Sub-Fund since 31 December 2009. Effective 13 September 2010, Amundi Hong Kong Limited has replaced S2G as the Manager of the Sub-Fund. 2. Change of Sub-Investment Manager: Effective 13 September 2010, Amundi Singapore Limited has replaced SG Asset Management (Singapore) Limited as the Sub-Investment Manager.

The issuer of this document is Amundi Hong Kong Limited. This document has not been reviewed by the Securities and Futures Commission in Hong Kong (the "SFC"). Investors should not only base on this document alone to make investment decisions. Investment involves risk. The past performance information of the market, manager and investments and any forecasts on the economy, stock market, bond market or the economic trends of the markets which are targeted by the fund(s) are not indicative of future performance. Investment returns not denominated in HKD or USD is exposed to exchange rate fluctuations. The value of an investment may go down or up. The offering document(s) should be read for further details including the risk factors. The fund(s) may use financial derivatives instruments as part of the investment strategy and invest in securities of emerging markets or smaller companies, or fixed-income securities. This involves significant risks and is usually more sensitive to price movements. The volatility of fund prices may be relatively increased. Issuers of fixed-income securities may default on its obligation and the fund(s) will not recover its investment. Additional risk factors are described in the offering document(s). Investors are advised to be aware of any new risks that may have emerged in the prevailing market circumstances before subscribing the fund(s).

This document is not intended for citizens or residents of the United States of America or to any "U.S. Person", as this term is defined in SEC Regulation S under the U.S. Securities Act of 1933 and in the Prospectus of the Fund.
