

First State China Growth Fund

Monthly Fund Factsheet

30 April 2017

-The Fund invests in securities issued by companies with either assets in, or revenues derived from the People's Republic of China.
-The Fund invests in emerging markets which may involve a greater risk than developed markets including sharp price movements, liquidity risk and currency risk. The value of the Fund may be more volatile as the Fund is exposed to the legal, political and economic conditions of a single country. Investing in China exposes the Fund to additional risks including repatriation risk and uncertainty of taxation policies. It is possible that the entire value of your investment could be lost.
-You should not base your investment decision solely on this document. You should not invest unless the intermediary who sells it to you has advised you that the Fund is suitable for you and explained how it is consistent with your investment objectives.

Investment objective & strategy

The Fund invests primarily in securities issued by companies with either assets in, or revenues derived from the People's Republic of China that are listed, traded or dealt in on regulated markets in China, Hong Kong, Taiwan, the U.S. or in a member state of the OECD.
