Risk Considerations

- The Fund invests in emerging market securities which are exposed to higher risk of economic, political and regulatory changes that may pose additional risk to the Fund.
- The Fund's value may be affected by exchange control regulations and changes in exchange rates.
- The Fund may at its discretion pay dividend out of the capital of the Fund.
- Payment of dividends out of capital amounts to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investment.
- Any distributions involving payment of dividends out of the Fund's capital or payment of dividends effectively out of the Fund's capital (as the case may be) may result in an immediate reduction of the net asset value per share.
- This investment involves risks which may result in loss of part or entire amount of your investment.
- Before you decide to invest, you should make sure the intermediary has explained to you that the Fund is suitable to you.
- Investors should not only base on this marketing material alone to make investment decisions.
