Risk Considerations

- The Fund invests primarily in small and mid-sized companies, and as a result may be subject to lower liquidity and more volatility than funds investing wholly in larger companies.
- This investment involves risks which may result in loss of part or entire amount of your investment.
- Before you decide to invest, you should make sure the intermediary has explained to you that the Fund is suitable to you.
- Investors should not only base on this marketing material alone to make investment decisions.
