Risk Considerations

- The Fund may invest in emerging market securities which are exposed to higher risk of economic, political and regulatory changes that may pose additional risk to the Fund.
- The Fund may invest primarily in a single sector, and is subject to higher concentration risk and as a result may be more volatile than funds following a more diversified policy.
- The Fund's value may be affected by exchange control regulations and changes in exchange rates.
- This investment involves risks which may result in loss of part or entire amount of your investment.
- Before you decide to invest, you should make sure the intermediary has explained to you that the Fund is suitable to you.
- Investors should not only base on this marketing material alone to make investment decisions.
