MATTHEWS ASIA

Matthews International Capital Management, LLC ("Matthews Asia"), the Investment Manager to Matthews Asia Funds, believes in the long-term growth of Asia, one of the world's fastest-growing regions. Since 1991, we have focused our efforts and expertise in these countries, investing through a variety of market environments. Matthews Asia employs a bottomup, fundamental investment philosophy with a focus on long-term investment performance. As of 31 July 2017, Matthews Asia had US\$31.1 billion in assets under management.

Asia Small Companies Fund

Class A Shares

Matthews Asia Funds

31 July 2017

Investment Objective

Long-term capital appreciation.

Risk Considerations

- Investment involves risk. It is possible to lose the principal capital of your investment.
- The Fund invests primarily in Asian countries and economies. Investment in such emerging markets may be subject to increased risks such as political, tax, economic, market, liquidity, custody and settlement, currency, legal and regulatory risks.
- The Fund invests primarily in equity securities which may result in increased volatility.
- The Fund may invest in smaller companies, which are likely to carry higher risks than larger companies.
- The Fund does not hedge to attempt to offset certain market risks. This may expose the Fund to the risk of full losses resulting from a decline in a security's value.
- Investors should not invest in the Fund solely based on the information in this document.

DISCLOSURES

The Fund is a sub-fund of Matthews Asia Funds, an open end umbrella fund with variable capital and incorporated with limited liability under the laws of Luxembourg. NOT FOR SALE IN THE U.S. OR TO U.S. PERSONS. This document does not constitute or contain an offer, solicitation or investment advice with respect to the purchase of the Fund described herein or any security. This information is not to be construed as a prospectus, a public offering or an offering memorandum as defined under applicable securities legislation.

The information contained herein has been derived from sources believed to be reliable and accurate at the time of compilation, but no representation or warranty (express or implied) is made as to the accuracy or completeness of any of this information. Matthews International Capital Management, LLC ("Matthews Asia") and its affiliates do not accept any liability for losses either direct or consequential caused by the use of this information. Information contained herein is sourced from Matthews Asia and as of the report date unless otherwise stated.

Investments involve risk. Past performance is not a guide to future performance. The value of an investment in the Fund can go down as well as up. Investors should consider the Fund's investment objectives, risks, charges and expenses carefully. Investors should not invest in the Fund solely based on the information in this document. Please read the Hong Kong Offering Document for further details including risk factors before investing and consult professional legal, tax and financial advisers as to the suitability of any investment in light of your particular circumstances and applicable citizenship, residence or domicile. Fees and expenses vary among Funds and share classes. Portfolio characteristics for the Fund may vary from time to time from what is shown. It should not be assumed that any investment in the securities listed was or will be profitable.

The MSCI All Country Asia ex Japan Small Cap Index is a free float—adjusted market capitalisation—weighted small cap index of the stock markets of China, Hong Kong, India, Indonesia, Malaysia, Philippines, Singapore, South Korea, Taiwan and Thailand. Index is for comparative purposes only and it is not possible to invest directly in an index.

² Holdings may combine more than one security from the same issuer and related depository receipts.

³ Percentage values in data are rounded to the nearest tenth of one percent; the values may not sum to 100% due to rounding.

⁴ Equity market cap of issuer. The Fund defines Small Companies as companies with market capitalization generally between US \$100 million and US \$3 billion or the largest company included in the Fund's primary benchmark, the MSCI China Small Cap Index. The Portfolio's market cap exposure breakdown presented is used for comparison purposes and the definition of the capitalization breakdown is from MSCI.

⁵ The P/E Ratio is the share price of a stock as of the report date, divided by the forecasted earnings per share for a 12-month period (FY1) and 24 month period (FY2). For the Fund, this is the weighted harmonic average estimated P/E ratio of all the underlying stocks in the Fund, excluding negative earners. There is no guarantee that the composition of the Fund will remain unchanged, or that forecasted earnings of a stock will be realized. Information provided is for illustrative purposes only.
