Data and information as of 30 November 2017. Investment involves risks. Past performance is not indicative of future performance. Investors should refer to the offering documents for details, including risk factors. Unless otherwise noted, all information is sourced from PineBridge Investments internal data. This material is issued by PineBridge Investments Asia Limited and has not been reviewed by the Securities and Futures Commission. PineBridge Strategic Bond Fund (the "Fund") is a sub-fund of PineBridge Global Funds, an Irish domiciled UCITS umbrella fund, authorized and regulated by the Central Bank of Ireland. PineBridge Investments is a group of international companies that provide investment advice and market asset management products and services to clients around the world. PineBridge Investments is a registered trademark proprietary to PineBridge Investments IP Holding Company Limited. Material Change to the Fund: From inception to 31 December 2010, the benchmark of the Fund was Barclays Capital US Aggregate Bond Index. From 1 January 2011, the benchmark of the Fund was changed to a blended index of 10% of the Citigroup Non-USD World Government Bond Index (Unhedged) (Total Return), 35% of the Bloomberg Barclays Capital US Corporate High Yield 2% Issuer Capped Index (Total Return), 20% of the JP Morgan Emerging Markets Bond Index (EMBI) Global Diversified (Total Return) and 35% of the Bloomberg Barclays Capital US Aggregate Bond Index (Total Return). Such change was made because the Investment Manager of the Fund reasonably considers that the current benchmark of the Fund's indices are more reflective of the Fund's investment strategy than the previous benchmark of the Fund and that the current benchmark of the Fund's indices have become the industry standard for the relevant exposure.
